Mirabella is a study in contrasts. Seamlessly blending the architectural grandeur of the Roman civilization with the modern luxuries of the twenty first century, Mirabella exudes magnificence that only few can match. This impressive residential complex portrays a larger than life image which is soon going to emerge as the most affluent address in the city.

A NAME THAT PERFORMS

Mahagun group is a conglomerate of companies operating in commercial, residential real estate and hospitality sectors. The group is synonymous with transforming barren lands into brilliant masterpieces of architecture and style. It has successfully delivered a number of residential projects in the NCR in addition to the development of Commercial Real Estate like Shopping malls, Hotels, Cineplexes etc. However, the development of residential real estate continues to be the core focus area for the group. It has already delivered approx 10.00 million sq. ft. of residential space covering about 6500 units and projects involving development of approx. 16.00 million sq. ft. covering about 10500 units are currently under execution. Absolute transparency in dealings, coupled with the highest standards and quality and timely delivery, continue to be the cornerstone of operations of the group. The group employs latest technology and techniques to cut down cost and to ensure development with sustainability by using 'Green building' techniques and through optimum usage of natural resources like water, air and natural light to cut down carbon foot print of its projects. In addition to catering to the requirements of the mid-market segment, the group has also ventured into user luxury housing segment with the recent launch of its signature brand 'M Collection'. Guided by absolute commitment, customer focus, innovation and professional expertise gained over the years, Mahagun endeavors to emerge as one of the key players in real estate construction and development, expanding its footprints to other geographical areas of the country, simultaneously diversifying its business interests.
